FAMOUS TROTSKY QUOTE (1917):

“We must turn Russia into a desert populated by white negroes upon whom we shall impose a tyranny such as the most terrible Eastern despots never dreamt of. The only difference is that this will be a left-wing tyranny, not a right-wing tyranny. It will be a red tyranny and not a white one. We mean the word ‘red’ literally, because we shall shed such floods of blood as will make all the human losses suffered in the capitalist wars pale by comparison. The biggest bankers across the ocean will work in the closest possible contact with us. If we win the revolution, we shall establish the power of Zionism upon the wreckage of the revolution’s funeral, and we shall became a power before which the whole world will sink to its knees. We shall show what real power is. By means of terror and bloodbaths, we shall reduce the Russian intelligentsia to a state of complete stupefaction and idiocy and to an animal existence.”

— From the ‘Memoirs of Aron Simanovich’, quoted in The Nature of Zionism by Vladimir Stepin, Moscow, 1993, and translated from Russian into English by Clive Lindhurst.

The four Jews—Marx, Engels, Lenin and Trotsky—who helped to destroy the Christian Russia of the tsars and replace it with an atheistic Communism in which 66 million Russian Christians were put to death in the gulags run by the cheka.

Nine years have already passed since an indescribable crime against humanity, the Bolshevik Revolution of 1917, was systematically begun. Now in its ninth year [1926], a government exists which calls itself a worker-and-peasant government—but not one true worker or farmer has ever sat on it. For nine years, torture has been used in the name of democracy as an official instrument of the state. And in the name of socialism millions of upright individuals have been murdered, put to death through starvation, or banished from home and hearth to every distant part of the globe.

In the name of the proletariat the Russian people has been subjugated by rank foreigners, their speech has been silenced, and their bodies sent—to the cheers of the [Jewish] Third International — into mass graves.

An old Russian expression says: “There are never more lies told than before a war and after a hunt.” And in point of fact the Great War [WW1] never had a true armistice; it never really ended. And the hunt for more human skulls — of course only Christian and Aryan skulls will do — continues in accordance with a sinister and systematic plan. And thus the great lie blooms forth, in effect a form of worship of the Father of Lies, by that international scum calling itself the Bolsheviks.

Mundus vult decipi! — the world wants to be deceived! It believes Soviet lies and fairy tales and even participates in this sick comedy, sending delegations of well-known people, leftists of course, incapable of understanding the Russian language, and sympathetic to boot with the goals of the Third International!

[The 3rd Internationale was the third great convention meeting held by ultra-radical Jews and Marxists in 1919 to coordinate Communist activities worldwide.]

2. The systematic destruction of Russia
The old Russia no longer exists.

In its place we have a vast desert: its intelligentsia 90% annihilated, its middle class throttled, its working class made serfs once again — but this time serfs in state-owned factories, workers who just for using the word “strike” can be put up against the wall! As for the farmer, now he is a mere beast of burden, a camel in the Soviet-made Sahara, laboring without question for his Jewish exploiters and nearly without pay.

These lofty “idealists” have tortured and killed, in the name of Russia’s workers and peasants — and according to their very own statistics — the following numbers of victims in the first four years of the glorious

especially judges, because these were the most dangerous for a state ruled by convicted felons.

To them let us add lawyers, district attorneys and all the college-educated occupations — to reach the number of 361,825 murdered members of our most mentally demanding professions. I will not even tarry over our annihilated class of large landowners, consisting of 12,950 persons.

When during the 1922 Famine, 30,000 human beings were dying every day, Jewish leader Trotsky made the sarcastic remark: “All the better — look at the paperwork that will save us now!”

3. Tsars assassinated by the Jews

After Nicholas I, his son Alexander II mounted the throne, a true friend of his people. In 1861 he abolished serfdom and gave the peasants land. This reform happened through the mir arrangement of village communities — an institution far closer to true and sincere communism than the capitalistic, tax-exploitative system we see in Soviet Russia today.

This same tsar, Alexander II, who in 1864 gave his people a whole new trial procedure for their court system — then the fairest and most progressive in Europe — underwent seven attempts to assassinate him, until finally, in an eighth attempt perpetrated by Goldmann, Liebermann and Zuckermann — can anyone mistake their race? — successfully carried out the wishes of London.

[Great Britain was by this time in the control of the Jewish bankers of the City of London.]

4. The murder of millions of Christians by the Cheka

Undoubtedly there were among them some true idealists who really believed that they could use murder and manslaughter, robbery and theft, to make a happier world and a new paradise of equality. The well-known result, however, was a living hell consisting of hunger, deprivation, despair and an equality only in one’s right to be murdered by the Jewish-controlled Cheka [forerunner of the KGB].

The word “Cheka” is not only an acronym in Russian for “Special Commission for Fighting Counter-Revolution,” but also a Yiddish expression for animal slaughter. How fitting this expression! We Christians, who are called “goyim” or cattle, are in the Jewish view mere animals. Yahweh gave us human faces, however, so as to spare the Jews the distress of having servants who looked like animals. [Paraphrased]

After the February Revolution of 1917, Nicholas II abdicated his throne and took refuge with his family in a house in Yekaterinburg. The Czar, his wife, his son, his four daughters, his servants and family doctor were all killed in the same room by the Bolsheviks on the night of July 17, 1918. It has since been confirmed that Lenin ordered the clandestine killings from Moscow.

6. Trotsky, another killer of Christians

Lenin’s great rival was a man who nearly exceeds him in treachery, viciousness and sadistic love of executions: the Jew Laibe Bronstein, who now calls himself Leo Trotsky.

This Bronstein-Trotsky character formerly was an ultra-radical writer of gall-dripping articles for Jewish newspapers. But long before the war he was an agent of the tsarist secret police in Vienna, reporting on Russian Jews who had deserted from the Russian armed forces.

Trotsky, a full-blooded Jew, betrayed his racial brothers to the Russian government for 150 gold crowns a month [about $200]. This perhaps tells us all we need to know about him.

..

“This anti-Bolshevik propaganda poster, dated to 1919, shows Leon Trotsky (born Lev Davidovich Bronstein) as a devil. Elements of the imagery reveal anti-Semitism: a popular anti-communist tactic was to overplay the role of Jews in the Russian Bolshevik Revolution.” (From a Zionist website, attempting to minimize the role played by Jews in the Bolshevik Revolution. See here).

The Chinese soldiers, presiding here over a mound of corpses and shooting Russian Christians to death, were hired mercenaries for the Jewish Bolsheviks. They did the Jews’ dirty work for them. Their reputation for sadistic torture on behalf of their Bolshevik employers was legendary. Thus they were responsible for
